Adjusters International
Scott Eich
6380 E. Thomas Rd., Suite 324
Scottsdale, AZ 85251

Dear Scott:

When we first started our claim I wasn't sure what I would received from your services or if it was a good idea.

Looking back now I see that it was a wise choice on our part by choosing Adjusters International. Through your efforts we received more than we had hoped for. Although the insurance company tried to be difficult at times they were no match for your experience in dealing in these matters.

I would highly recommend to anyone to use your services should the need arise. Feel free to use me as a reference to anyone. I can be reached at 1-509-453-8161.

Again, thank you!

Sincerely,

Larry Hull
