Insurer:	Ace Westchester Insurance Company

Dear Ken,

I want to take this opportunity to thank you for the wonderful job you performed in the adjustment of our property loss on Judah Street. We initially assumed the damage to our apartment building was in the $200,000.00 range. Little did we know that you would end up collecting for us over $425,000.00. Special thanks goes out to your associate, KC Cullum, who was instrumental in getting your firm retained. KC was especially helpful in coordinating with the tenant and the various insurance entities within the first few days after the fire loss.

Ken, please feel free to have any prospective property owners who do suffer a fire loss to give me a call. Without hesitation, I can strongly urge them to retain The Greenspan Co./Adjusters International immediately after a fire. You certainly did right by us Ken!

Sincerely yours,

Frank Lembi

Dear Ken,

Who would think that a year later, I would be having to retain The Greenspan Co./Adjusters International again. Ken, you did such a great job on the last loss, but this time, you really hit a grand slam. I never thought we could have secured over $650,000.00 on our building, which at the time of loss, was vacant and somewhat in disrepair. Your excellent relationship with the Chubb Insurance adjuster certainly helped. We are now in a position to have available funds to redevelop the adjoining properties we own at the site. None of this would have resulted without yours and The Greenspan Co./Adjusters International expertise.

I would also like to send out a special thanks to your associate, Rino Benenati, who we met immediately after the fire loss. Rino was helpful with the coordination of getting the property secured, boarded up and dealing with the tenants.

Like I said in my previous letter to you regarding our first fire, hopefully, I will never have to suffer a fire loss again. But if I do, you will be the first person I call. My many thanks to you and The Greenspan Co./Adjusters International.

Sincerely yours,

Frank Lembi
