Dear Brian,

Words cannot express the value of your service and the outstanding job you did with my insurance settlement as a result of the fire to my apartment building.

You concluded every aspect and detail of the claim with great results.

I truly appreciate all your efforts and I recommend your services to all my friends and family and any one who has an Insurance Claim should call The Greenspan Company immediately.

Sincerely,

A handwritten signature in cursive script that reads "S. R. Chopra".
