The Greenspan Co./Adjusters International  
400 Oyster Point Blvd., Suite 519  
South San Francisco, CA 94080

After my home suffered a devastating fire, I had no idea who to turn to for help with the recovery and claim process. I am so glad to have met you and Rino Benenati. The team that you got together from The Greenspan Company/Adjusters International was instrumental in my recovery process.

Your building estimator Vic Johnson did a fantastic job of working with my contractor to have the insurance company agree 100% to our proposed claim amount. The contents recovery was at the policy limits and was a tremendous achievement. More importantly, you were able to negotiate up front a cash out on the additional living expense coverage. This was a very positive outcome and allowed me the freedom to spend my funds as I deemed fit. Thank you for all your fine efforts.

You and Rino Benenati really know your stuff. I can't say enough good things about you and The Greenspan Company/Adjusters International. It would be my pleasure to recommend you and your company to anyone needing your services.

Sincerely,

Robert Marsili
