The Greenspan Co./Adjusters International  
455 University Avenue, Suite 350  
Sacramento, CA 95825

To who it may concern:

I had the unfortunate experience of losing everything I own in the Boles Fire in Weed, CA. On September 15th, 2014 a fire storm swept through disintegrating over 150 homes. I have had the pleasure of working with The Greenspan Co./Adjusters International to get me through this awful situation. Their team of professionals makes the process easier to deal with. The Greenspan Co./Adjusters International team is worth much more than the amount they charge.

Sincerely,

Gene & Lana Toms
